## **KARATE CLUB OF AMERICA HELPFUL HINTS**

---

---

- ◆ Always bow upon entering and leaving the dojo (karate room).
- ◆ To show respect during your exam, never turn your back to the judge(s).
- ◆ Make sure your uniform is clean as a whistle – this is a sign of great respect to your instructor, your karate school, and yourself.
- ◆ Only full uniforms are allowed at exams. (Gi top and pants with a properly-placed KCA patch on front left.)
- ◆ Ask for help if you need it when tying your uniform or belt. Better to ask for help and make sure you look your absolute best.
- ◆ Show up early to your exam. You will need to stretch on your own before you test.
- ◆ Turn in all your paperwork (exam form and payment) before your exam day. Paperwork is not accepted on exam days. No exceptions.
- ◆ Don't work out too hard on the day of your exam. Save your energy and make it count.
- ◆ There are never any surprises when you test. You will only be asked to do what you have done in class, which is what is on your exam form.
- ◆ If you were not ready to test, Mr. Wholihan would not have told you to do so. Relax and do what you have practiced in class.
